ATLANTIC FLEET INTEGRATED LOGISTICS OVERHAUL ACTIVITY

QUALITY PHILOSOPHY

To provide quality products, services, and support to our customers with a continuing focus on ***improving and/or***

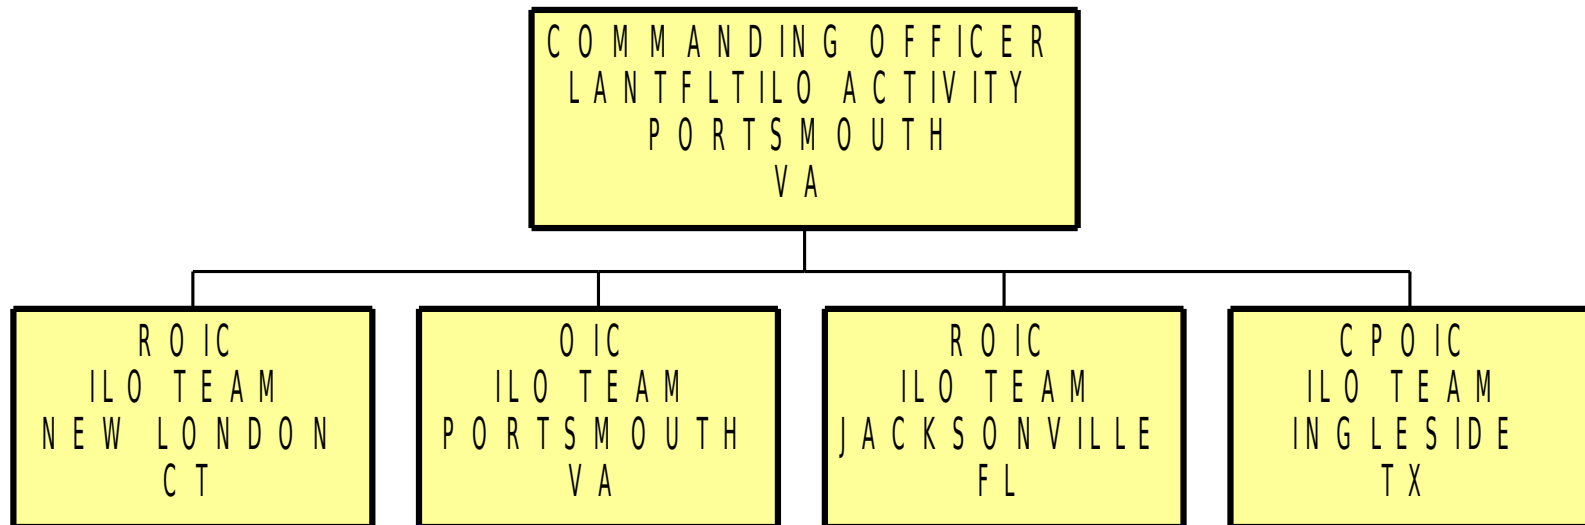

developing new mission statements upon customer needs

To proactively provide continuous Integrated Logistics Support to our Atlantic Fleet and Logistics Support Activity customers by performing Integrated Logistics Overhaul/Reviews and Post Availability/Operational Logistics Support.

We will become the preferred source of Integrated Logistics Support by ***expanding our customer base and processes to***

meet the needs of a changing environment
